🌟 Weekly Roundup 🌟

This week we celebrate some fantastic achievements across Phoenix! Our Cross-Country team did us proud at Croxteth Park – a huge well done to all our runners, especially those who took part for the very first time. There is real promise for the future, and a special mention must go to Sophia who finished an incredible 12th out of 130 runners – a fine achievement! Year 5 and 6 have also made a brilliant start to their swimming lessons, with the target for every child to swim a full length by the end of the year. We warmly welcome our new starters who have joined the Phoenix family this week – it’s wonderful to have you with us. Finally, a huge thank you to our dedicated staff, who go above and beyond every day to make sure our pupils have the best possible experiences at school. Lastly, a huge well done to all of our certificate winners, it was lovely to read so many excellent reasons!

Our school value for this half term is: Kindness

Online Safety Reminder

As many children enjoy spending time online and gaming, we would like to remind parents and carers of the importance of being vigilant about your child’s online activity. Please take time to talk with your child about who they are interacting with, set clear boundaries around screen time, and regularly check privacy and parental control settings. It is vital that the games and content children access are age-appropriate, and that they know to speak to a trusted adult if they ever feel unsure or uncomfortable online. Working together, we can help ensure our children stay safe, happy, and responsible digital citizens.

Parking Outside School

We kindly remind parents and carers not to park on the zig-zag lines outside of school. These markings are there to keep children safe by ensuring clear visibility at the school gates. Parking on them, even for a short time, puts pupils at risk. Please help us keep our community safe by finding a safe and legal place to park, even if it means walking a little further. Thank you for your cooperation and support.

★ Wellbeing Tips/Tricks ★

Staying active doesn’t have to mean structured exercise – even small changes can make a big difference! Try swapping short car journeys for a family walk, or enjoy a quick game in the park after school. Not only does this support physical health, but it’s also a great way to spend quality time together and boost everyone’s mood.
