

Our values: Resilience, Kindness, Responsibility, Ambition

Phoenix Primary School Newsletter

Issue 10 | November 2025

✿ Weekly Roundup ✿

I would like to begin this week's newsletter by thanking our 'Friends of Phoenix' volunteers for their hard work and efforts again this week in making sure the cake sale went ahead and was a success. I would also like to thank anyone who donated cakes to school to help ensure the event was possible. These events are a very important aspect of our school life, helping us to raise money to reduce the cost of trips for our parents. Any support you can provide is always greatly appreciated by school.

At Phoenix we do our best to ensure that lines of communication are consistent and available. I politely remind everyone that the class teacher is the first person to speak to about your child unless it is a specific enquiry about something else, in which case please speak with the school admin team. Remember we all adhere to our code of conduct and it is crucial that we communicate with each other in a respectful manner and a calm tone. Failure to do this will result in the staff being advised to end the line of communication immediately. We are always happy to help where we can and continue to do our best to support all pupils and families within our Phoenix community. Furthermore, we would like to remind parents if you are placing the care of your children with family relatives whilst you are away or otherwise engaged then please inform your child's class teacher or the school office so that school is aware of who to contact should an incident/emergency arise. The contact details of the relative will need to be shared with the school office. Again, we thank you for your cooperation in ensuring that lines of communication remain transparent and consistent.

Our focus value for this half term is: Resilience

Ice Warning

There is no doubt that the winter weather is upon us and the colder temperatures are becoming more frequent. Please vigilant on your walks to/from school as the immediate areas can become icy and slippery which is not always visible. Whilst on the school grounds, if you do notice any yellow signs out then this means that the area has been judged as a risk and therefore it is important both children/adults keep their distance. Thank you for cooperation and understanding as we continue to make sure that the school site and grounds remains safe for everyone.

Key Dates/Events

26/11/2025: Y4 class trip

26/11/2025: Pantomime (In school)

11/12/2025: Christmas Jumper Day

12/12/2025: Christmas Dinner Day

*Information about Christmas Performances will be sent out nearer the time

★ Special Mentions ★

Special mentions to Class 7B for their hard work this week in English and more specifically writing. Miss Farrell and the 7B staff team have been blown away by the creativity and hard work shown by the children. Another special mention goes to Y1 who made an incredible Remembrance Day display board with all of their amazing poppy related artwork.

★ Attendance Stars ★

Our whole school target is 97%

Best Class Attendance:

1st = Y6 100%

2nd = 7A 98%

3rd = 7B 97%

Phoenix Parent Pay

In the coming weeks we will be shifting towards 'Parent Pay' as form of reducing the need for school to have cash on site. We also want to streamline the payment processes for parents so the requirement to withdraw money and bring it to school is minimal. The link below is a video further explaining how Parent Pay works. <https://vimeo.com/336556633?fl=pl&fe=sh>
