✿ Weekly Roundup ✿

Another Friday rolls around, the weeks are flying past. As we enter the festive season it is a wonderful time to be in school. Although it is very busy, the children are taking part in many lovely activities and spreading seasonal joy right through school. On Friday the children enjoyed their Christmas dinner – a huge thanks to all the kitchen staff for cooking such delightful food for everyone! Additionally, thank you to the staff who set up the hall for the children and creating a lovely experience for our pupils.

A huge well done to all the children for working so hard on the different performances that have either taken place this week or that are planned in for next week. I am sure parents and relatives will be so proud of you all!

Specials thanks to our 'Friends of Phoenix' team, who organised the recent Phase 1 film afternoon. Another huge success and I know other events are planned for 2026 for the other phases across school. These events help to raise funds for school and also help to support trips and other exciting elements of school life. Please support them if you can.

Lastly, I would like to take this opportunity to wish a very happy retirement to Miss Evans who retires after over thirty years of service. We all thank Miss Evans for her invaluable contributions to Phoenix and her unwavering dedication.

Our focus value for this half term is: Resilience

A huge well done to children who took part in the Water Polo competition on Monday morning – the staff at Phoenix could not be prouder of your efforts and achievement, finishing second out of 8 schools! A huge well done!

I would also like to mention the Kin-ball team who represented school this week. Even though the children had never played before they did extremely well! The team finished fourth out of twelve schools, a fantastic achievement!
