

Our values: Resilience, Kindness, Responsibility, Ambition

Phoenix Primary School Newsletter

Issue 22 | April

✿ Weekly Roundup ✿

Our focus value for this half term is: Ambition

Welcome back to all pupils and families following the Easter break. We have thoroughly enjoyed the start of our summer term—if only the weather would follow suit!

It has been a real pleasure hearing the learning taking place across the school and seeing the excitement from the children as they return to their classrooms. There is a lovely energy around the building, and it sets us up well for the term ahead. We are continuing to focus on AMBITION as our value for this half term. Please do try and link this value to activities at home as this helps us all to deliver a consistent message.

As always, I would like to thank you for your continued support and commitment to Phoenix—it truly makes a difference to our school community.

Children have enjoyed taking part in their THRIVE activities this week. These sessions support pupils' emotional wellbeing and help them to feel calm, settled and ready for learning. It has been great to see such positive

A Request for Your Support

Our EYFS team are kindly asking if any families have spare or outgrown wellies that they would be willing to donate to school.

As we move through the summer term, we aim to provide as many opportunities as possible for our youngest children to learn through outdoor play and exploration. Having a range of wellies available in school really supports this, ensuring all children can access outdoor learning in all weathers.

If you are able to help, we would be extremely grateful for any donations. Thank you, as always, for your continued support.

Attendance and Punctuality

A reminder to all families about the importance of good attendance and punctuality. Being in school every day and arriving on time is vital to ensure children do not miss important learning and can fully engage with the curriculum.

School gates open at 8:45am, with lessons beginning promptly at 8:50am. We ask for your support in ensuring children arrive on time each morning, ready to start their learning alongside their peers.

Please note that, in line with guidance from Liverpool City Council and the Department for Education, holidays during term time will not be authorised. We appreciate your understanding and cooperation in supporting your child's education.

Dinner Money Payments

This is a polite reminder to families who pay for their child's school dinners that it is essential payments are kept up to date and made on time. Like all schools, we are currently managing significant financial pressures and are unable to cover the cost of unpaid meals. We therefore ask for your support in ensuring accounts remain in credit.

If you are unsure of your balance or need support with how to make a payment, please speak to the school office who will be happy to help.

If you believe your child may now be entitled to free school meals, we encourage you to visit the school office where a member of staff can offer guidance and support with this process.
